

# I Symbols

**Ice** - a frozen condition, limitation.

**Ice cubes (melting) (ark)** - the dissolving of a frozen, limiting karmic condition.

**Ice (on growing thing)** - in a dream to see ice on a growing thing, such as a tree or plant, indicates that the substance of life is not being used freely.

**Ice (surrounded by)** - to be in a place of ice surrounded by ice indicates that one has to thaw out his emotions. The dreamer must be prepared to thaw out, letting the “Son of Life” warm him, that he may flow into the one life.

**Ice (walking on)** - indicates that one has slowed down his progress.

**Ice cream** - a symbol of indulgence, of wanting all things pleasurable. Ice cream is used in dream symbols by the Masters to warn the disciple that he is yielding too often to the sensual nature.

**Ice skating** - warning to take advantage of timing due to grace.

**Identification (lost or stolen) (ark)** - one’s spiritual identity has been lost or stolen.

**Illuminati (or Higher Adepts)** - creative telepathies. They are mentor telepathic directors over all artists.

**Illuminati (IS)** - golden quill pen; library of books, scroll; physician’s vial; artist’s paintbrush; compass.

**Immortals (Great or Masters) (IS)** - instruction telepathies. They work to keep the disciple on the Path; to bring unmanifested ideas.

**Indigo** - the color of akasia, the highest aspect of prana. The akasic flame is used by great Masters to cleanse the auras of their disciples. As one increases in meditative powers, he gives off more of the akasia blue light. During meditation when one has opened the akasic fire, he often sees a blue flame centered within his own aura in the proximity of his head or over the command center between his eyebrows. To see the blue flame in the aura of another person in the waking state is to know that he is approved of or accepted by the Master or the Greater Presences. To see this light while sitting in semi-contemplation is a confirming that the Master is near. Also, to see this light as a form of a penciled blue line beneath words or sentences in any book speaking of spiritual ideas is proof that one is reading a magnetized book blessed by the

Holy Presences and the angels.

**Indigo blue light (IS)** - Master K.H. (Koot Hoomi): Law - Light Stream #4.

**Insects or Bugs (crawling over the dreamer)** - warning about parasitical persons and the dangers of helping people before they are ready; also, a warning that cell bacteria are out of control; danger of purification through fevers or infections.

**Insects (eating flesh off hands)** - giving to people who are takers which takes away from serving others.

**Insect (poisonous)** - a warning that one is devitalizing his energy level, and thus opening himself to malicious telepathy; to be alert to scathing or stinging personalities.

**Insects (quantity of)** - means that one has lowered his defenses against reproachful mass telepathies; bacterial word is being scrutinized before healing powers come.

**Insect (nuisance)** - a warning that one has neglected reverence in his household or home; astral insulation has been removed.

**Insects (stinging)** - all stinging insects are under the influence of the planet Mars. To see a stinging insect in a dream (except for a bee which is under the influence of the sun), indicates that one is to be wounded by a violent Mars attribute in his nature or in someone close by.

**Intercessory Symbols (IS)<sup>ii</sup>** - identify one's degree of evolvement, and inform him of the source of his intercessory helps.
